

Seminar: Doing Business in Germany

Peter Deubel, Deputy Director General at IGCC Mumbai welcomes the gathering

Hubertus Kestler, Attorney at Law, Managing Partner, KMO (centre right), standing next to Nina Klack, Attorney at Law, Partner and Alexander Leoff, German Certified Auditor, US-CPA, Partner, KMO (2nd from left) with the IGCC team.

Seminar in progress

Under the topic of Doing Business in Germany, the IGCC organized a seminar on "Legal and Tax Implications of India 2 Germany" on behalf of the German consulting company 'Kestler Mielert Otto' on the 5th of October at the IGCC Mumbai premises.

Nina Klack, Attorney at Law, Partner gave an introduction of the company and spoke about the general business climate in Germany including the current Indo-German economic relations as well as the advantages of the German economy.

Hubertus Kestler, Attorney at Law, Managing Partner, KMO covered the Legal Aspects of Doing Business in Germany. He spoke about the judicial system, the different types of business organizations and explained the steps to register a company or branch of foreign company in Germany. Labour issues were also an integral part of Mr.Kestler's presentation. He also spoke about

other business options like purchase of a company or a takeover as well as sale and trade activities in Germany.

Alexander Leoff, German Certified Auditor, US-CPA, Partner, KMO gave an overview of the Accounting and Taxation scenario in Germany. The topics covered under this title were i.A. accounting standards and auditing, public filing requirements, individual income tax, corporate tax: determination of taxable income, distribution of dividends, VAT, foreign income and tax treaties, transfer pricing etc.
